(1) Set to a limit lower than the profile limit in the Mobile Banking app; (2) (2) Except for "whitelisted" bill payments where there's a £50k limit per transaction, but no daily payment limit. Whitelisted refers to payments to known third party bill providers, selected from a prepopulated list. To make payments above £50k, cheques and CHAPS are available in branch or by fax. It is possible to make one-off payments up to £100,000 through the Mobile Banking app, with the following timescales: a. Up to 1 per day; b. Up to 2 per week; c. Up to 4 within a 28-day period; biometric approval registration is required to approve any payments over £750 in the Mobile app; (3) Up to 25 payments for existing payees; it's not possible to import or create bulk lists; (4) International payments can be made only from a GBP account, and up to the equivalent of £20,000 per day; (5) Additional service, which must be requested separately, meet certain eligibility criteria and is subject to fees; (6) Accessible via Open Banking; (7) Per business entity. You need separate login details for each business entity; (8) Payments can be made to any of the 36 countries in the single Euro Payments Area (SEPA). You need to enter a valid IBAN to complete the transfer.
