you don't pay in more than the ISA allowance between the Fixed Rate ISA and the Help to Buy: ISA.

Can I withdraw money?

You can withdraw money from your account (in branch or by telephone) until 24 May 2024 at 3.30 pm. Partial withdrawals are not permitted after this time.

If you want to make a withdrawal after this time and before the Maturity Date, you must close your account by giving written notice to your branch. An Early Closure Charge will apply, except in the event of your death.

The Early Closure Charge will be the lower of the amount of interest earned on your account or 90 days' interest.

The Early Closure Charge will be deducted from the balance of your Fixed Rate ISA. The total amount you receive (including interest earned on your balance) will be no less than your deposit at the Start Date. For example, if you have earned 50 days' interest you will only be charged an Early Closure Charge equivalent to 50 days' interest. If you have earned 100 days' interest you will only be charged an Early Closure Charge equivalent to 90 days' interest.

For more information on closing, please see the Fixed Rate ISA Terms (Term 8).

Transferring your ISA

You can transfer your ISA to another ISA manager. If the transfer is **before** the Maturity Date, we'll convert your ISA to a Cash ISA and an Early Closure Charge will apply. If you want to transfer your ISA without incurring an Early Closure Charge the transfer must be dated at least the day after the Maturity Date, when your money is accessible.

Maturity of your ISA

On the Maturity Date (or if the Maturity Date is not a business day the next business day), we'll convert your account to a Cash ISA. You'll be able to access your money on the Maturity Payment Date. Please see Term 5 of the Fixed Rate ISA Terms for more information.
